Do You Know What Training
Your Financial "expert" has?

Not knowing could delay your
retirement or even sink it. These
days nearly anyone can call
themselves a financial
expert/planner/advisor/etc.

Ask one question: Do you have
or have you had a NASD license
and how many?

If the answer is none or one, take
your money and find someone else.

This is Ron Anthony. For over 33
years I have been working with
retirement accounts and for over 18
as a Registered Investment Advisor. I
have held Five NASD licenses and am
registered with the Maryland Attorney
General's Office, and on line with the
IARD. My firm can be checked out on
line. The website is: [Atlantic
Advisors.net](http://AtlanticAdvisors.net). Based here in Baldwin,
ready to be of service.
