Curb Your Pet!**

Important SAP Issue Persists and Needs Attention!! - It has come to CMRC's attention that some dog owners are not following the rules at Sweet Air Park about keeping their dog leashed and cleaning up after their dogs. ALL DOGS MUST BE LEASHED AND MUST BE CLEANED UP AFTER WHEN USING SWEET AIR PARK. If the problem continues, then decisions will have to be made moving forward, one being considered is banning all dogs/pets from the park at all times with enforcement. We do not want to take that route but we do not want our children playing in dog/pet feces. We also have many walkers and seniors that use the walking path and do not wish to encounter what you and your dog leave behind. Please bring a bag with you to pick up after your dog and make sure they are leashed at all times. Please help keep our park clean and safe for everyone if you want to continue to enjoy the park with your dog or other pets.
