Many Thanks to Lax Splash!

CMRC would like to thank Lax Splash/Aloha Tournaments for the generous contribution to the CMRC general fund. Aloha Tournaments support for CMRC has remained steadfast. Brine Lax Splash was created in 1999 as a year end celebration for local, and not so local, recreation lacrosse teams. Over the years it has hosted over 50,000 players and has served as Carroll Manor Recreation Council's #1 fundraiser

NEW!! Curb Your Pet!

Important SAP Issue Needs Attention!! - It has come to CMRC's attention that some dog owners are not following the rules at Sweet Air Park about keeping their dog leashed and cleaning up after their dogs. ALL DOGS MUST BE LEASHED AND MUST BE CLEANED UP AFTER WHEN USING SWEET AIR PARK. It is a matter of safety and sanitation. Children play on the fields and are being subjected to having to stop play to clean up what dogs and their inconsiderate owners are leaving behind. If the problem continues, then decisions will have to be made moving forward, one being considered is banning all dogs/pets from the park at all times with enforcement. We do not want to take that route but we do not want our children playing in dog/pet feces. We also have many walkers that use the walking path and do not wish to encounter what you and your dog leave behind. Please bring a bag with you to pick up after your dog and make sure they are leashed at all times. There are plenty of trash cans on site for disposal. Please help keep our park clean and safe for everyone if you want to continue to enjoy the park with your dog or other pets.
