### Mandatory Baltimore County Lightning Policy.

There has been some question as to the Baltimore County Lightning Policy. Please see the policy below. This policy will be followed, no exceptions, pertaining to any outdoor CMRC program or camp.

**Upon the first sound of thunder or sighting of lightning, Department staff will direct all in attendance to immediately go to their cars or enter a building, if possible. No one will be allowed to return to the field until 30 minutes after the last sound of thunder and/or sighting of lightning. Staff will have complete authority on any decisions made at our facilities. In the absence of Department staff, volunteer coaches and officials must follow the same procedure.**
