Girl Scout Gold Award Project - Help Support!

My name is Meredith Riley, and I'm a junior at Dulaney High School. I've been a Girl Scout since I was in kindergarten, and finally I'm working on my Gold Award Project. The Gold Award is the highest achievement a Girl Scout can earn- completed, it's a huge honor and a great point on a resume or college application. I want to end my Girl Scout career with such, and I'm proud to say I'm finally preparing to begin my project. In my project, "Stories, Music, and Movement," I plan to offer creative

movement dance classes for underprivileged children in Baltimore City. I chose this project because I've been dancing with Carroll Manor Rec Council roughly the same amount of time that I've been a Girl Scout, and it is a very important part of my life. I think it's important to expose children to all types of exercise, especially a type that engages imagination and creativity as well as physical activity.

I feel strongly that I can complete my project with success, with networking help, which is why you're reading this. I would greatly appreciate donations of gently used dance costumes and props, which can be dropped off at the Sweet Air Rec Center in Jacksonville, or in the waiting room of Jacksonville Elementary School's activity/dance room. I appreciate any donations, and thank you in advance for your support.

For questions, you can reach me at 410-683-4701 or meredithriley491@gmail.com
