SAP Dog Clean Up Issue

There is still a continuing issue with people using the park and not cleaning up after their dogs. We ask you, please clean up after your dogs so all of the your kids do not have to play on objectionable fields. If you see anyone not cleaning up after their pets, help us and politely say something about using the clean up supplies that are there at the park.

If this continues, CMRC will have to consider other options: banning dogs from the park completely, fencing and locking the fields, or imposing a fine for not complying with cleaning up after your dog. We ask again to PLEASE clean up after your dog and keep them leashed.

Glaser dominated with scoring more goals than undoubtedly any other in the tournament! We lost count at 13 or so! This could not have been accomplished without the excellent defending, tremendous goal keeping, or accurate passing and through ball deliveries. These boys played with "all heart". Congratulations boys and Coach Tana!
